Sir:

This letter is in replay to the Final Office Action dated July 15, 2009.

Many Thanks

First at all, applicant really have been grateful to many kind helps and valuable advice from the examiner under this long examination process of the above reissue patent application.

Applicant has been made several mistakes in the examination process. Applicant thought this situation is normal for an applicant pro se. Because each person has a limited knowledge background, even though he/she has had an expertise in his/her own area.
